Honeywell

It Pays to Be a Part of the Honeywell Contractor PRO Program

Because your business counts to Honeywell, every purchase counts for you.

As a member of the Honeywell Contractor PRO program, you'll earn rebate points on every qualifying Honeywell product purchase you make. But that's only the beginning. With Contractor PRO, you'll enjoy a variety of ways to add more profit to your business.

Member Benefits:

Exclusive Technical Support (1-877-880-3383)

Contractor PRO members receive dedicated technical support for residential products. Just provide your member number when dialing to avoid waiting for your call to be answered.

Online Referrals

Contractor PRO members are automatically listed on the Honeywell website www.YourHome.Honeywell.com – where millions of homeowners searching for local contractors to service and sell them HVAC systems.

Regular Communications, Promotions, and Account Updates

You'll receive customized membership updates on a regular basis – including promotional offers, product information, technical tips, business ideas and more. You can also review your account information and a list of current promotions anytime at our website www.ContractorPRO.com.

Personal Use Product Discounts

You and your staff can enjoy Honeywell products in your own homes at special reduced personal-use prices.

Free Sales Literature

Market your business with professionally designed sales materials – available free of charge. Most materials are also available for customization with your company name and logo.

Turn Your Points Into Profits

Your business matters. We'll help it grow.

Redeem Your Points

With a variety of options to redeem your points, it's easy to see how you can turn your points into profits.

1. Free Product

Turn your points into a "Points for Product Certificate" that can be used to purchase qualifying Honeywell products at a participating distributor of your choice.

2. Promote Your Business

Grow your business by promoting or advertising your company and the Honeywell products you sell. Use your points for co-op marketing dollars, and reimbursement is offered at 50% on all eligible activities.

3. Professional Development

Use your points toward training opportunities, including exclusive Honeywell and industry training programs. Visit the Professional Development/Training page on www.ContractorPRO.com to learn more.

4. Personal or Employee Perks

Choose from a full catalog of luxury items such as electronics, sporting goods, and trips to reward yourself, employees, family, or friends.

5. Promotional Merchandise

Members can use points to purchase Honeywell and Honeywell Contractor PRO branded clothing and accessories from our online promotional collection

Manage Your Points: Points expire 12 months from the date of purchase. Each month, you will receive an email statement with points earned, account balance, and expiration dates. Check your account information anytime at www.ContractorPro.com.

Earn Points

As a member, you'll earn one point for every dollar spent on qualifying Honeywell product purchases. For example, a \$1,000 qualifying purchase equals 1,000 Contractor PRO points.

Qualifying products include:

Residential Home Comfort and Indoor Air Quality, Residential Combustion Controls, Commercial Building Controls, Commercial Combustion Controls, Honeywell Analytics, Honeywell System Sensor, Electrical Products, Hydronic Heating and Potable Water Products, Genesis™ Series Wiring and Cable.

Genesis cable

System Sensor

Commercial Buildings

Honeywell Analytics

Hydronic Water

Commercial Combustion

Home Comfort

IAQ

Three easy ways to report your purchases.

1. Distributors can submit invoices on behalf of Contractor PRO members online at www.ContractorPRO.com
2. Fax invoices to 1-800-745-4999, ATTN: Honeywell Contractor PRO Program. Include your Contractor PRO account number, contact name, contact phone, and email in the cover sheet.
3. Mail invoices to: Honeywell Contractor PRO Program, MN10-111A, 1985 Douglas Drive North, Golden Valley, MN 55422. Postage-paid envelopes are available by contacting the Contractor PRO team.
